

Family First Advocacy

Invites you to our 1st Annual

"Tailgate" Party with a Purpose

A JEEP AND MOTORCYCLE FUNDRAISING EVENT

To benefit students with learning, social, emotional, behavioral, and other mental health challenges and their families

SATURDAY, SEPTEMBER 9, 2023

Lake of the Woods Pavilion • Mahomet, IL 61853

10am-6pm

Family First Advocacy NFP, is committed to helping students with learning, social, emotional, behavioral, and mental health challenges find success in the public school system, by providing support services and trainings to their parent(s)/caregivers and other caring community members. We provide opportunities through volunteering, social events, and trainings to the community that encourages a greater understanding of this unique population. We are committed to this population of students, their families, and their community; to develop programs that provide success, self-worth, and a greater sense of inclusion within their school and their community.
